Time—Talents—Treasure

Name (please print) _____		
Email _____	Phone _____	

South Valley is making a difference in the world – within our own community and in the world at large. We ask that you to join us in this commitment by making a contribution of your time, your talents and a financial commitment in the form of the pledge for the coming fiscal year.

Time

There are many ways to become involved in the life of our congregation. It takes many helping hands to keep all of our ministries going at South Valley and it is a great way to form connections and friendships.

Here are some of the groups that would welcome your involvement:

Religious Education	Website/Social Media	Leadership	Caring Circle	Welcoming/Membership
Library	Facilities	Stewardship/Fundraising	Hospitality	Social Gatherings
Personnel	Finance	Worship Services	Social Action	Auction/Yard Sale

We welcome any time commitment you can make, whether it is occasional weekend projects, serving on a committee, or starting a new group that you are passionate about that fits with our mission. If you've already found a place to give of your time for the coming year, please write it here and know that we value what you are doing. If you're not sure where you would like to get more involved at South Valley, please let us know your interests so that we can get you in touch with the right committees or individuals

Talents

What special abilities do you have? What do you enjoy doing? People are most enthusiastic when they are doing what they like to do or when they are learning something they have always wanted to do. Do your interests and talents lie with

music? Art? Computers? Numbers? Social activity? Are you outgoing or more reserved? We all need social interaction, but for some of us it energizes, for others it takes energy. What you volunteer for will be influenced by what you prefer to do.

Tell us a little about the kind of things you'd enjoy or are enjoying doing for South Valley.

Treasure

Your pledge to sustain South Valley financially is also critically important. Because of the pledges from previous years, we've been able to maintain a truly outstanding minister who not only inspires us, but makes our presence felt in the wider community. We've been able to provide a superior youth education program (REGAL), support the Caring

Committee and minister in pastoral outreach, and improve the quality of our worship services and our building. These are among many other services which impact on our congregation and our community. We're once again a vibrant, growing, vital congregation. Thank you for your generosity.

Please let us know what you are commit to financially and how you would like to contribute.

Total amount of pledge for the 2015-16 pledge year: _____

Amount to be contributed (circle one) monthly, bi-monthly, quarterly, annually or otherwise: _____

Do you wish to use our new automatic deduction service? _____ (see the ACH form.)

Date _____ Signature _____

Thank you for all of our contributions and for your dedication to South Valley!
