Our Whole Lives (OWL) Classes are comprehensive sexuality education workshops designed as a collaboration between the Unitarian Universalist Society and the United Church of Christ, taught by trained volunteers. It equips participants with accurate, age-appropriate information in six subject areas: human development, relationships, personal skills, sexual behavior, sexual health, and society and culture. Grounded in a holistic view of sexuality, Our Whole Lives not only provides facts about anatomy and human development, but also helps participants clarify their values, build interpersonal skills, and understand the spiritual, emotional, and social aspects of sexuality. For more information about this curriculum, please visit www.uua.org/re/owl.

Suggested Donation: \$30 for SVUUS / \$50 wider community

(*The donations go solely towards materials and training of new facilitators. The lower suggested rate for PLEDGING members and friends of SVUUS is offered because this program is largely funded through the church budget as one of the missions of our Religious Exploration ministry.)
